Kim - I have that but before I send it, I want to be sure that Mr. Gilbert is subject to individual jurisdiction and/or personal liability since this project was all through his LLC and not as an individual. So for now, I'm going to just address from the entities' perspective.

In that regard, I would like to request an extension of 30 days to be able to prepare a response. This case goes back almost 2 years so it will take some doing.

Can we get an extension to March 26, 2014 to respond? Or whatever the longest period you can give me. Thank you!! Cleta
